

CASA Diversity and Cultural Competency Training

This is a survey about how the training on diversity and cultural competency has impacted your knowledge and skills in these areas. Your answers will help National CASA evaluate its Diversity Implementation Grants program which funded this training.

This survey is confidential. Your individual answers will not be shared with anyone. They will be joined with the answers of other training participants. Reports of the survey will not identify you in any way.

Thank you for your help!

Consider your knowledge of diversity and cultural competency and your skills in working with families of different cultures, backgrounds and belief systems than your own before and after the training. Circle the appropriate number in both columns.
