The quotations from Mencken are from *A Mencken Chrestomathy*, originally published in 1949.

Michael Gurian's new book, *The Purpose of Boys*, is an intriguing, evidence-based discussion about helping young people find their life's purpose. Gurian, who spoke at our conference a few years ago, is a family therapist and cofounder of the Gurian Institute.

Dan Ariely's fascinating book, *Predictably Irrational*, was published last year.

Alison Gopnik is a professor of psychology and affiliate professor of philosophy. Her most recent book is *The Philosophical Baby: What Children's Minds Tell Us About Truth, Love and the Meaning of Life*.

Thomas Merton's letter is quoted in Melvin McLeod's *Mindful Politics*, p. 191.
